feeding lives together

FOOD DISTRIBUTION

HUNGER IN OUR AREA

Golden Harvest Food Bank serves a 30 county, 14,000 sq. ft. area spanning the border of Georgia and South Carolina. In our service territory, 1 in every 6 people struggle with hunger. Among children, that number rises to 1 in every 4. All told, more than 222,000 individuals in the area we serve face hunger on a regular basis.

Our mission is to make sure that everyone in our area who struggles with hunger has access to emergency food. With such a large area to cover, the problem of hunger is too big for one organization to tackle alone!

HOW WE HELP

The Food Distribution Program reaches struggling families all over our service area by providing nutritious food to more than 300 partner hunger relief agencies and programs located in the communities of those in need.

Golden Harvest procures food from a wide array of sources including food drives, farmers, grocery retailers, and USDA. Food is stored at our Distribution Centers in Augusta, GA and Aiken and Anderson, SC, then distributed to local partner agencies. We partner with a variety of organizations to feed the hungry including food pantries, soup kitchens, shelters, and schools.

Give online to help feed lives with us! Every \$1 donated provides \$9 of food to someone facing hunger right here in our area.
