Dear Friends,

When we began our journey through 2021, the Food Bank faced many obstacles as COVID-19 continued to impact our community. But with those challenges came opportunities that allowed us to serve neighbors in new and powerful ways.

Because of you, we provided more than 12 million meals in FY 2021. We implemented new programming, like a food pantry to address military hunger, and expanded our services across our 25 counties to feed families struggling in the fallout from the pandemic.

And with your help, we not only continued operating - we grew. We set high goals for the future. We created a 10-year strategic plan that will be a roadmap for ending hunger in our community, and drew up plans for facility renovations and a new building to increase capacity and serve more families facing hunger.

And as we look ahead, we know that the challenges we faced made us stronger, increasing the bond between our partners, sponsors, and agencies as we served together.

Thank you for being part of our Golden Harvest Food Bank family. I look to the future with hope and with an eye toward healing for our community and for our world, thanks to friends like you.

Grace and peace,

Amy Breitmann
President and CEO

---

Bobby and Frieda always come to Mobile Markets together, and they always share the food they receive with others. For Bobby, it’s her 4 children and her grandkids. They live together on shared land in the country and are working hard to make ends meet, but lately there’s just not enough.

It’s a story echoed by many others as COVID-19 continues to affect this rural community.

Thanks to you, Golden Harvest was able to distribute more nutritious food to meet the elevated need in 2021. “We appreciate all that we can get. And we know that what we get is good food. We worked all our lives. And that’s all we need — good food,” Bobby says.

Total Expenses
More than a year ago, the COVID-19 pandemic began and everything changed. Contactless, drive-thru Mobile Markets became essential to carrying out our mission safely. When we pivoted from regular food distribution methods to Mobile Markets, our volunteers were there to pack boxes, bag produce, and place it all in the trunks of families in need. They also served meals at The Master’s Table, collected food during our It’s Spooky to Be Hungry® campaign, and kept our Urban Farm running. A big thank you to all of the volunteers who came alongside us to feed families during this year of challenge and change. You provided countless moments of hope during a time when so many were struggling.

OUR MISSION
Our Mission is simple: To transform lives by feeding our hungry neighbors today and building a healthy, hunger-free tomorrow.

OUR VISION
To eliminate hunger in our communities. By 2030, Golden Harvest Food Bank will ensure access to enough nutritious food for people struggling with hunger and make meaningful progress towards ending hunger throughout our 25-county service territory in Georgia and South Carolina. We will do this in collaboration with our network of partner agencies and community leaders.
